

# IT'S OUR WORLD LET'S MAKE IT BETTER

*We always thank God for all of you and continually mention you in our prayers.  
We remember before our God and Father your work produced by faith, your labour  
prompted by love, and your endurance inspired by hope in our Lord Jesus Christ*  
**1 Thessalonians 1:2-3**

## **Thank You God Our Father,**

For all the wonders of the world you have created for us to inhabit.

Thank You for the all the people of the world around us

The people that guide us, love us and help us in this time of need

For people who lead us, who work in health care, everyone who shares their gifts and  
talents to help us come together **to make our world a better place**

## **We remember Lord Jesus**

Your words and actions that inspire us to love the Lord our God and our neighbour.

Remain with us always encouraging us to care and love the world around us.

Remind us to persevere in carrying out good work.

Call us to be people of welcome offering your hospitality to all your children.

Help us come together **to make our world a better place.**

## **Holy Spirit of Hope**

We ask for your gifts of courage and knowledge to help us come to new resolutions to  
educate ourselves and to deepen our understanding of the needs of others,

For fortitude to endure the difficulties of our situation,

For awe and wonder to see a future beyond our reach,

For wisdom and piety to recognise ourselves as participants in your loving creative  
vision to help us come together **to make our world a better place**

Wishing you grace and peace from God the Father and Our Lord Jesus Christ

Amen
